

# Summer in the City!

Looking for some fun filled weeks in the city ?

**Two Great Summer Experiences Combined together !**

## Afternoon Summer Camp

- **Arts and Crafts:** enjoy the thrill of creating projects through the use of various media
- **Music:** share the joy of celebrating our lives through singing
- **Sports & games** learn how to be a team player and a leader through sports and games in our large gymnasium
- **Bible Stories:** experience daily Bible stories in our Christian education learning circles
- **Leadership Skills:** developing faith based social skills with others
- **Reading and English review skills** interwoven into our activities to stop summer brain drain !
- **Surprise Theme Weeks for Camp**
- **Friday Afternoon Field Trips**

## Morning Specialty Camp

- **Coding:** learn this useful computer language to develop apps, websites and software to have more control of your technology. It will increase your creativity and problem solving skills!
- **Drama:** led by Miss Pileggi, it is a chance to show your great artistic expression and storytelling through the theatre arts. A great way to develop more confidence!
- **Chess:** learn progressive skills towards strategizing, discipline, logic and collaboration in a fun positive competitive way! Open to all ages!
- **Art in French:** under the inspiring leadership of Mme. Ruben, discover your hidden artistic skills through painting and drawing! Have fun with colours and find out what you can create.....all in French!
